

## Sailing on Skippy

Joe liked to go in his father's boat. His father knew how to sail. The boat was blue with a rainbow on the sail. Only two people could fit in the boat. Joe called the boat Skippy. Joe's father took him out every second summer day. On the other day his brother John would go. That was fair. They both loved to sail.

One hot day Joe went sailing with Dad. John went on a hike with Mom and their sister. They were going to look for berries.

Joe and Dad had a great time on the boat. When they got back home they found out John had fallen down the side of a small cliff. He had broken his leg.

For the rest of the summer Joe did not go on the boat. He didn't think it was fair to John. He stayed home and played games with John. Next summer they could sail again.
